

State of California  
AIR RESOURCES BOARD

EXECUTIVE ORDER D-245-1  
Relating to Exemptions Under Section 27156  
of the Vehicle Code

BBK PERFORMANCE, INC.  
EQUAL-LENGTH SHORTY HEADER

Pursuant to the authority vested in the Air Resources Board by Section 27156 of the Vehicle Code; and

Pursuant to the authority vested in the undersigned by Sections 39515 and 39516 of the Health and Safety Code and Executive Order G-45-5;

IT IS ORDERED AND RESOLVED: That the installation of the BBK Performance, Inc.'s equal-length shorty header manufactured by BBK Performance, Inc. of 2451 Pomona Rincon, Corona, CA 91720 has been found not to reduce the effectiveness of the applicable vehicle pollution control system and, therefore, is exempt from the prohibitions of Section 27156 of the Vehicle Code for 1985-1986 model-year Mercury Capri vehicles, 1985-1993 model-year Ford Mustangs and 1986-1993 model-year Lincoln Mark VII vehicles equipped with a 5.0 liter engine.

This Executive Order is valid provided that installation instructions for this header system will not recommend tuning the vehicle to specifications different from those submitted by BBK Performance, Inc.

Changes made to the design or operating conditions of the header system, as exempt by the Air Resources Board, which adversely affect the performance of a vehicle's pollution control system shall invalidate this Executive Order.

Marketing of this header system using any identification other than that shown in this Executive Order or marketing of this header system for an application other than those listed in this Executive Order shall be prohibited unless prior approval is obtained from the Air Resources Board. Exemption of the header system shall not be construed as exemption to sell, offer for sale, or advertise any component of the kit as an individual device.

This Executive Order does not constitute any opinion as to the effect the use of this header system may have on any warranty either expressed or implied by the vehicle manufacturer.

THIS EXECUTIVE ORDER DOES NOT CONSTITUTE A CERTIFICATION, ACCREDITATION, APPROVAL, OR ANY OTHER TYPE OF ENDORSEMENT BY THE AIR RESOURCES BOARD OF CLAIMS OF THE APPLICANT CONCERNING ANTI-POLLUTION BENEFITS OR ANY ALLEGED BENEFITS OF BBK PERFORMANCE, INC.'S EQUAL-LENGTH SHORTY HEADER.

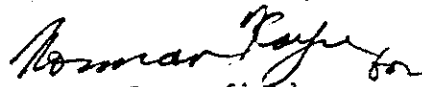

BBK PERFORMANCE, INC.  
EQUAL-LENGTH SHORTY HEADER

EXECUTIVE ORDER D-245-1  
(Page 2 of 2)

No claim of any kind, such as "Approved by the Air Resources Board" may be made with respect to the action taken herein in any advertising or other oral or written communication.

Violation of any of the above conditions shall be grounds for revocation of this order. The order may be revoked only after ten day written notice of intention to revoke the order, in which period the holder of the order may request in writing a hearing to contest the proposed revocation. If a hearing is requested, it shall be held within ten days of receipt of the request and the order may not be revoked until a determination after hearing that grounds for revocation exist.

Executed at El Monte, California, this 22<sup>nd</sup> day of December, 1992.
